Firefighter's Slow Late Night Fire

On July 7, 2026, at 9:54 PM, firefighters from Fire District #3 responded to a reported 10' x 10' fire in a clear cut approximately 7 miles up off of Woods Rd. in Blyn. The first arriving unit reported a slash pile on fire with 10-15' flames with 5mph winds. The fire had already grown to about 0.5 acres and was beginning to have multiple spot fires.

Incident command was established and the fire was named the Salmon Fire. Crews from station 34, station 37, and station 33 responded with an engine, two brush engines, a water tender and a Battalion Chief. Additional resources from Washington Department of Natural Resources were also requested.

Crews engaged in an initial attack establishing a hose line and perimeter around the fire along with extinguishing the spot fires downhill. The fire was turned over to DNR on 07/08/2026 at 0100 hours.

The cause of the fire is under investigation.

FD3 reminds our community that a limited burn ban is in effect and fires in the woods can quickly get out of control. Visit www.ccf3.org for more fire safety information.
