Firefighters Rescue Fire Survivor from Under House

On March 14, 2025, at 7:19AM, firefighters from Fire District #3 responded to a reported structure fire at 721 S. Still Road in Sequim, WA. An observant school bus driver in the area notified Pencom that a house along their route had a large amount of smoke coming out from within the building.

Crews from stations 33, 34, and 37 arrived within minutes to initiate a coordinated fire attack and extinguishment. Helpful neighbors assisted in removing three small dogs from a room attached to the doublewide trailer as responders were arriving. Firefighters located the property owner in the crawl space under the house and assisted her to safety outside. Fire District 3 paramedics transported her to Olympic Memorial Hospital for further evaluation of non-life-threatening injuries.

The cause of the fire is under investigation.

Additional resources included an Olympic Ambulance, a Battalion Chief, Community Paramedic, and automatic-aid from Clallam 2 Fire and Rescue.

Please make sure you have working smoke alarms in your homes. "Hear the BEEP where you SLEEP", US Fire Administration.
